

NEWS RELEASE # 3
For Immediate Release

Dated: April 24, 2006

**HIGHWAY # 6 CALEDONIA BY-PASS TEMPORARY ROAD CLOSURE AND
SUGGESTIONS FOR ALTERNATE ROUTING OF HEAVY TRUCK TRAFFIC**

The Highway # 6 Caledonia By-Pass is temporarily closed to ALL vehicular traffic. The points of closure are Hwy # 6 and Fourth Line (Road # 29) at Willow Grove and at Hwy # 6 (Greens Road) and County Road # 66 (North of Caledonia).

This closure has necessitated detours, as shown on the map provided and incorporates the following roads:

Fourth Line (Rd. 29), County Rd. 9, County Rd 54 (York), McClung Rd, and County Rd 66.

The duration of the road closure is unknown at this time and its reopening by the Provincial Ministry of Transportation will be communicated as quickly as possible.

For routing of heavy truck traffic we would suggest the following alternate routes also shown on the attached map:

North Westerly	Brantford	-	County Rd # 55 to County Rd # 20
North	Hamilton	-	Highway # 3 to County Rd # 54
		-	County Rd # 27, County Rd 9 to County Rd # 54
North/Easterly	Stoney Creek	-	Highway # 3 to County Road # 56

As a reminder to all shipping and receiving departments and associated suppliers, Hagersville has heavy vehicular traffic restrictions. Posted truck routes must be adhered to.

Any questions regarding the information conveyed in this correspondence may be directed to the Operations Division, Haldimand County at (905) 318-5962 Ext. No. 1.
