

CALEDONIA CITIZENS' ALLIANCE

INFORMATION MEETING, JUNE 13, 2006 CALEDONIA LIONS HALL

Meeting Summary

The general consensus coming from the second Caledonia Citizens Alliance public meeting was the serious safety concerns of the residents of the community especially those living close to the Douglas Creek occupations site. Many compelling incidents were relayed by local residents. Based on this the Alliance will hold an information meeting for the residents of the area on Thursday evening in their neighborhood to help deal with these concerns. The Alliance is also working with a local community groups to bring counselling aid to those who are affected.
