Informational Meeting
June 28, 2006
Caledonia Lions Hall, 7:00pm
Meeting Summary

Bob Salac opened the meeting noting that several alliance members are missing due to various personal commitments. Not a lot in the way of meetings and events occurred since last week's public meeting.

- Gwen Boniface met behind closed doors with Haldimand Council – the outcome of that meeting was not known at this time
- After Monty Kwinter's statement that Caledonia is getting back to normal an Alliance member questioned the OPP and they stated that not many reports have been filed in the last few weeks. We cannot stress enough that if you are having a problem you need to report it to the police so that it gets documented.
- It was noted that there is a lot of police presence in the areas surrounding DCE
- Officials have begun meeting with the residents of the area surrounding DCE to discuss their experiences and get an idea of their losses.
- The general consensus is that the community would like the Alliance to stay in place to speak on their behalf.

The next community meeting will be held upstairs at the Lions Hall on Wednesday July 5, 2006 at 7:00 p.m.
